## BURGERS PARK STUDENT HOTEL RESIDENTS

### STEP 1

Download the App.

Available on all the AppStores  
search for "Residency" on  
your device's app store

Residency

RESIDENTRY APP

This app is free

### STEP 2

Register yourself by using  
your mobile

### STEP 3

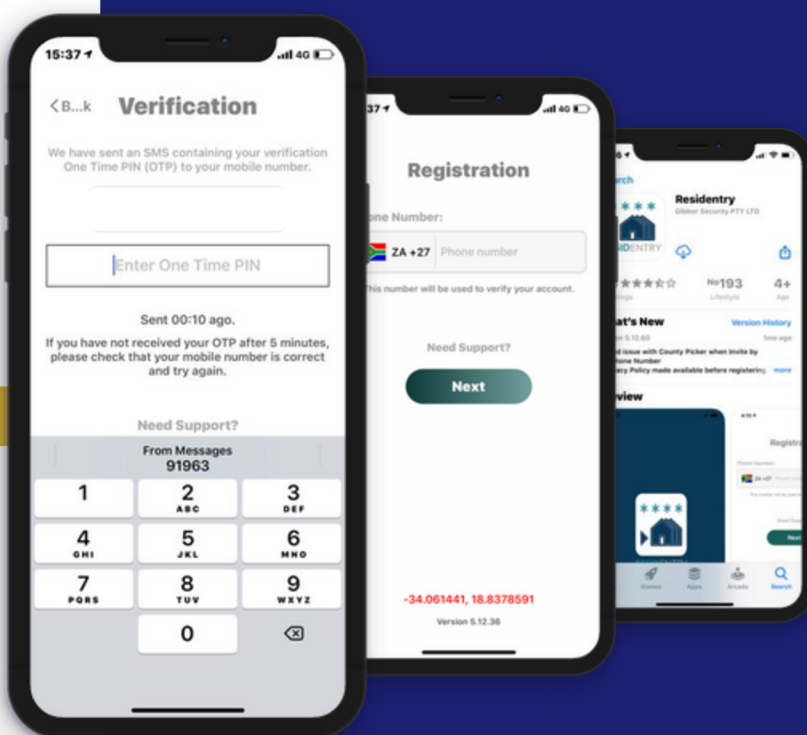

Enter OTP sent to you to complete  
your registration

- Only residents that are registered on the Residency system will be able to generate access codes.
- Please ensure you are registered on the system.
- For registration queries contact Reception.

- When an access code has been requested, the Pin number is sent to your visitor and is active for the current day.
- The Pin code is valid for single entry and exit only and logged together with the data captured on entry.

We have implemented a new visitor management solution. You can now take control of granting access to visitors in advance. **LET'S GET STARTED.**

## IF YOU DO NOT HAVE A SMART PHONE YOU CAN USE THE ALTERNATIVE SMS FEATURE

(transactions outside of the app may however incur admin fees)

### SMS Option:
